LUNAR MYTH KINTSUGI BIBLE -- Quickstart Guide

Welcome. You're 20 minutes away from creating your first luminous mythpunk masterpiece.

Step 1: Choose Your Tool (2 min)

Tool	Best For	URL
Midjourney	Easiest start, best colors	discord.com
Grok Imagine	Long complex prompts	x.com
Flux	Best prompt adherence	fal.ai or local
Leonardo	Free daily credits	leonardo.ai

Recommended for beginners: Midjourney v6 with --ar 3:4 --stylize 250

Step 2: Copy Your First Prompt (1 min)

Open Prompts/ALL_PROMPTS_357.txt and copy any prompt. Or use the **Prompt Mixer** (Web_Tools/prompt-mixer.html) -- open it in your browser, randomize, and copy.

Signature Hero Prompt (copy-paste ready):

Luminous wonder lunarpunk tactile-stained-mosaic kintsugi botanist mythpunk full-body female primordial goddess standing powerfully, body meticulously constructed from sliced newspaper clippings and vintage photo cutouts with vibrant watercolor bleed painted directly over the collage, defiant folklore reassembly using iridescent stained-glass mosaic shards and obsidian repaired by glowing golden kintsugi veins, lush regenerative moonflowers and iridescent ivy blooming from cracks and fractures, extreme heavy visible embroidery with raised thread patterns and clustered pearl beading for hyper-sensory tactile depth, subtle datamosh glitch distortion melting collage edges, ethereal lunarpunk bioluminescent moonlight creating soft halo, vibrant jewel tones vs crisp black and white inking, chromatic aberration fringing, regenerative sensory wonder, ultra-detailed mixed-media collage masterpiece --ar 3:4 --stylize 250 --v 6

Paste into your AI tool. Generate.

Step 3: Read the Bible (15 min)

Open Bible/Comprehensive_Style_Bible_58p.pdf and read: - **Section 2:** The 8 Essential Ingredients (understand the layers) - **Section 7:** Prompt Engineering (master the formula)

This 15-minute read will 10x your results.

Step 4: Generate 10 Images (10 min)

Use the Prompt Mixer or copy from different mood files: 1. Luminous Wonder 2. Melancholic Reverie 3. Defiant Rebellion 4. Sacred-Profane Tension 5. Nocturnal Mystery 6. Primordial Chaos 7. Ethereal Grace 8. Fashion Editorial 9. Tattoo Flash 10. Your own custom mix

Step 5: Refine & Post-Process (Optional)

Quick enhancements: - Upscale with 4x-UltraSharp or Topaz Gigapixel - Add chromatic aberration in Photoshop (Filter > Lens Correction > Chromatic Aberration) - Overlay kintsugi textures from Textures/kintsugi_gold_*.png - Apply watercolor bleed using soft-light blending mode
